for their grain.
For this reason, the winter wheel erop of the 1913-1914 season will be in the Cochise Stronghold, after an p cultarity interesting. Not less than absence of a few weeks. 500 scree in the cereal have been planted in the southern vicinity of the Sulphur Springe valley, whereas, on the previous year, there was little of the grain in the south end of the big besin. Reports from the valley say that the grein is growing nicely being up several inches. One more rain be ween now and March I will assure bumper yield, the farmers secert.

#### **Prehistoric Ruins**

What are thought to be prehistoric ruins baye been uncovered in Cochise county according to reports reaching bere yesterday. It appears that while several men were making excavations for a reservoir three 'miles from the Perrin land grant on the Barbacopari, they uncerthed numerous pieces earch of the diggings is now in progrees, wish the hopes of ascertaining looking toward some interesting the extent of the ruins. Some years games on the local diamond this seaago the skeliton of a borse and man son. were found near this place, the skeleof both being intact and in good condition, and had evidently been buried several hundred years ago, while nunerous other flade of a similar charecter have been made in that vicinity different intervals. Probietorie ruins were also recently found in the rietaity of the Cochise Stronghold, sent Tombetone, in the Dragoo mountains, and it is understood that zominations of the same are about tute at Washington, It is being ru-mored that the Perria land grant, the second largest land grant in Arizons, is to be put under cultivation by its and that they will in the near future give their entire time to agricultur and stockraising. The grant is owned and controlled by the Perrin |Brothere

#### BACKACHE IS DISCOURAGING

Until You Got After the Cones Nothing more discouraging than constant backache. a constant backache.

Lame when you awake. Pains
pierce you when you bend or lift.

It's hard to work, or to rest.

You sleep poorly and next day is the same old story.

That backache indicates had kidneys and calls for some good kidney.
